

PHI GAMMA DELTA

Presents the Doc Gilfillan Memorial Scholarship

Welcome students!

Congratulations for choosing to attend Oregon State University! Your hard work and persistence moved you through high school and has made you eligible for the **Doc Gilfillan Memorial Scholarship**.

Francois A. "Doc" Gilfillan was an outstanding brother in the Fraternity of Phi Gamma Delta whose service spanned from the University to the U.S. Army. Before his retirement in 1962 he was the Dean of Science, one of the five original incorporators of the Oregon Museum of Science and Industry (OMSI), and even Acting President of Oregon State.

Contrary to most scholarships this one is **character-based**. Meaning that GPA is a large portion of what is taken into consideration but we weigh extra-curricular activities equally. While this scholarship is provided by the Fraternity of Phi Gamma Delta (commonly referred to as "Fiji"), **it is in no way required for you to join our brotherhood**. This is a way for us to honor our brother and to live out our values by providing an opportunity for another beaver pursuing their education.

Examples of our Fraternity's commitment to scholarship include:

- ❖ Maintaining a substance-free (dry) environment. We do not allow or tolerate alcohol or drug use on our property.
- ❖ Expecting a minimum of a 3.0 individual GPA per term. We are continuously ranked as one of the top fraternities on campus for overall GPA and above the OSU average every term.
- ❖ Encouraging community involvement. Our brothers averaged nearly 56 hours of community service per member Fall Term.
- ❖ Offering financial assistance.
- ❖ Providing a positive and constructive environment. We understand that adjusting to college life is difficult and presents new challenges. Mistakes will be made. However, we do not embrace or tolerate hazing.

After you apply we will contact you about our scholarship weekend over the summer. This is a time to display outside of an application why you are deserving of this scholarship. Held at our historic chapter house in Corvallis, you will be interviewed by our scholarship committee and be given the opportunity to meet some of our brothers.

Thank you for your time and we look forward to hearing from you very soon. Please find the additional documents enclosed regarding the details of the scholarship. Take care, and as always, GO BEAVS!!!

Best regards,

Steven Nemer
