

Summer Term 2015

Basic Fact Sheet

Don't have your paper term schedule handy? Follow these instructions to access our online course schedule for the term you want to attend classes:

- 1) Go to <https://www.klamathcc.edu/Academics/Catalog>.
- 2) In the menu on the left side of the screen, select "Class Schedule."
- 3) The next screen will have "Course Search" at the top of the page. Select the first field and choose the term you're interested in attending from the dropdown menu.
- 4) If you're unsure exactly what type of classes you'll be taking, you can view all available classes for that term by selecting the most basic listing of that term (i.e. "2015 Summer Term").
- 5) Use any other search criteria on the screen to narrow your search.

Important Things to Know:

- Registration for both Summer and Fall Term begins on **Monday, May 4th**. Students under 18 must have a parent or guardian with them and register in person or have parental consent and register online.
- Jr. High and High School students pay the **High School Rate*** for most classes, which amounts to a discount of almost 80%!
- Some classes, like CDL, any Aviation Science flight class, and certain art classes have additional fees and are excluded from the high school rate.

High School Rate

For students currently in Jr. High or High School, the cost per credit for on campus classes is \$20. For online classes, it is \$20.50. This rate applies to students who are currently in, or will be starting 7th –12th grade in the next academic year.

Students who graduated in 2015, including ADP students, are still eligible for the High School Rate for Summer Term 2015 only.
